All pupils have the opportunity to participate in parliamentary committees where they are encouraged to engage in issues that affect the wider school community.

Charity Events

Our school is a strong supporter of local and national charities. Pupils and staff lead events throughout the session that reflect our school values.

School Trips (subject to restrictions)

School trips are organised to support relationships and to enrich educational experiences. Some trips are offered as part of our school reward's system, whilst others support learning as part of the curriculum.
