Safe Drive Stay Alive Road Show Friday 8th February

Dear Parent /Carer,

As part of a Road Safety Campaign organised by Central Scotland Road Safety Partnership, our S4 students will be attending an interactive Road Safety Initiative at the MacRobert Centre, Stirling University, on the morning of Friday 8th February 2018.

Safe Drive Stay Alive is a hard hitting stage show run in conjunction with Fire Scotland, Police Scotland, NHS Forth Valley as well as many other partners and people who have been involved in the real life results of a road traffic collision.

The show itself is aimed at young drivers and passengers showing the consequences of bad driving whether as a result of drink, drugs or other distractions that influence road users.

Students will be transported to and from Lornshill Academy to the MacRobert Centre with no cost to the pupils for this excursion.

Pupils should attend tutorial class as normal on the day and will be out of school during periods 1 - 4. Pupils will be expected to wear uniform as normal for this event. Pupils who have a PE Assessment at this time will not attend but will be given the opportunity to attend in S5.

If you require any further information about this event please do not hesitate in contacting me at the number above.

To see "Safe Drive Stay Alive" during an evening show for parents/carers you need to book your seat, completely free of charge, by calling:-

The MacRobert Centre Stirling on;
01786 466666.

Yours sincerely

Mrs H McMaihin
Depute Headteacher
