Dear Parents/Carers

We were inspected by Education Scotland In April this year and the Inspection Letter identifies many positive aspects of our school and also gives us clear information about what the school needs to do to continue to improve. I have attached the letter for your information.

I am currently working with the Quality Improvement Officer for the school Kim Ramsay to discuss plans to take forward the recommendations that will address the key points for improvement contained in the Inspector's letter.

I would now like to invite you to a meeting in the school at 6.30 pm on Wednesday 18<sup>th</sup> September 2019

The aims of the meeting are:

- to consider the content of the Inspector's letter
- to give the opportunity to discuss issues arising from that letter
- to share with you our plans for continuous improvement

This meeting will also be attended by a member of the Lifelong Learning Committee who will be interested in hearing your views in order to report them back to the Committee.

I look forward to seeing you then.

Yours faithfully

Annemarie Sands  
Head Teacher
