

S6 Induction Programme

I am delighted to confirm that the S6 Induction Day will take place on Tuesday 31st May 2022.

The purpose of the induction is to help make the transition to senior school as smooth as possible by sharing the expectations, curricular requirements and skills necessary for your ultimate success. I am sure you will have heard many people talk about the increased demands a senior school timetable brings, so I am keen to help you make the best possible start.

I have organised a programme of activities which will give you some insight into this next exciting phase of your education and to help you reflect on how to get the best out of the coming session. Let's look at it as the start of a new adventure!

You should arrive at school for registration between 10:00 – 10:10am. Normal school timetable begins on Monday 6th June 2022.

If you have secured a college place and do not intend to return to school for Sixth year, please remember to return your books, iPad and locker key as well as to complete a Leaver's Form. For those of you on Study Leave, I hope that the exams have gone well; for those of you who have been participating in the Maximising May Programme, I hope you have found it to be an enjoyable and stimulating learning experience.

As Head of the Senior Phase, I am looking forward to welcoming you back for 6th year at the Induction on 31st May 2022.

Best wishes,

Greig Millar
Head of S/5/6
