Dear Parent/ Carer

**Monday 4<sup>th</sup> May – Change of courses and return of current S4 and S5 learners**

The Perth Academy physical timetable changes on the 1st June, 2020. At this time, all young people will be moving up a year group and into new classes.

On Monday 4<sup>th</sup> May, we are moving our current S3 classes into S4 courses within the online platforms. For most new S4 learners this equates to a reduction in courses, with students mostly studying six or seven subjects.

Also, on Monday, we welcome back our current S4 and S5 learners to online platforms. This will allow these learners to progress onto the next stage of their learning at (mainly) Higher, National 5 or Advanced Higher as appropriate.

**I ask that all learners in our new Senior Phase, S4 to S6, take time to familiarise themselves with the information attached to this letter.** This explains how and where online learning is arranged within individual courses and departments. This is important as departments have organised the learning to best suit their current circumstances.

We welcome back our returning Senior Phase learners in the virtual sense. Learners should get in the habit of checking their year group assembly teams on a weekly basis. It is here that we will post important information and updates relevant to the year groups.

Our current S1 and S2 will continue to stay in their subjects and classes until the official change of timetable on Monday 1<sup>st</sup> June.

I trust that this communication is helpful. Please do not hesitate to get in touch if we can assist you in any way. Contact us at [perthacademy@pkc.gov.uk](mailto:perthacademy@pkc.gov.uk)

Best wishes

J Lothian
