Second World War Project

We are looking for people that are interested in working on a project to honour former pupils of Perth Academy that died in the Second World War. We have funding to create a mini video documentary. We will need to do a combination of research, talking to family's, filming, editing and artwork. There will probably be more! If you are interested please could you come along to room 41 on Wednesday the 10th of November for an initial meeting with Mr Findlay. With remembrance Sunday at this time of year this is a great time to start this project.

Applications for NHS Virtual Work Experience Programme

Applications for NHS Virtual Work Experience programme are now open, and they will be open throughout this academic year, with the next session taking place **on 7th November**. This is the largest national virtual work experience programme for Nursing, Midwifery, Paramedicine, Physiotherapy, Occupational Therapy, Dietetics, Radiography, Prosthetics and Orthotics, Speech and language therapy and Pharmacy!

This will help students to make an informed career decision as well as learn about how healthcare professionals work together as part of a multidisciplinary team. **Each work experience day is completely different.**

Students will also receive certificates as evidence of having participated in the work experience programme. Those that complete the entire 6-month programme will be awarded with Highly Commended References too. Students can register individually through the link on the Assembly Teams. Places are £10 a day to cover administrative costs and run the tech on the day. Schools can also register groups online.
