

INFORMATION SHEET – MONDAY 21st SEPTEMBER 2020

GENERAL

Compliance with Face Coverings in Corridors

We are seeing a significant number of kids walking between classes with no face coverings on or taking masks off as they line up in corridors. Please remember that these rules are in place for everyone's safety. These face coverings should be worn on exit from class and until they are safely seated in their next class.

Litter

Regrettably, we have had a complaints from residents on Glasgow Road and Greybank Road (The route between the school and Lidl). The complaint is that Perth Academy students walking to and from the shops are leaving a trail of litter. I would appreciate your help if you use this route to prove to our neighbours that Perth Academy pupils are respectful, courteous and responsible with their litter. Thank you.
