

Addressing Children's Attitudes to Tobacco in Perth
Primary 7 Schools Project 2020

Your child's class is taking part in a health project focusing on smoking and health. On **Thursday 16th January 2020** the class will spend a day working with drama and movement officers from Shapercaper Dance Company. At the end of the day the children will have devised a short performance which they will share with other members of their school. The children of P7 would also like to invite you to come along to the school and share their performance which will begin at 2.20pm. A question and answer session, hosted by the pupils and supported by the drama and movement officers, follows the performance, finishing at 2.45pm approx.

If you would like to join us please complete and return the slip below, giving an indication of how many will be attending.
